

Whether furred, feathered, scaled, or finned, our animals often become some of our very best friends and an important part of our families.

To recognize the love they provide,

**Bethel UCC, 2112 Yingling Drive, Spring Grove, PA**

**will be hosting a Blessing of the Pets service on Sunday, October 1st at 2 PM in their Pavilion.**

Bring your favorite "critter" along, some special treats to share with them, and appropriate leashes, cages, etc.

Invite a friend, too, to help share our love for all of God's creation.

A free-will donation of pet supplies will be collected to benefit a local shelter.
