**Historically, Rally Day is celebrated at the end of summer season.**

It reminds everyone that fall is soon upon us. During this season, students return to classroom studies, families reap the last of their crops from the summer harvest, and last minute outdoor projects are completed before the snows of winter coat our landscapes in white beauty.

Churches celebrate Rally Day in a variety of ways, but at the heart of the celebration is the acknowledgement that we are called to deepen our relationship and understanding of Christ.

Leaders of Christian Education classes are introduced and students often “take flight” into different religious education classes.
